DIY Doorbell Video Intercom Desktop Audio Visual Security Monitoring Kit

The Swann DIY Video Intercom allows you to SEE, HEAR and SPEAK to visitors at your front door from the safety and comfort of your home. When your doorbell rings, the Swann DIY Video Intercom sends live black & white images of your visitor to the monitor. Simply pick up the handset and you can HEAR, SEE and SPEAK to the visitor - without opening the door!

The Swann DIY Video Intercom features an electric lock option so you can open the door with the touch of a button*. Add a second camera! Purchase any Swann security camera to monitor the nursery, backyard, a sick child or the back door. So easy to use and install**, simply plug the Swann DIY Video Intercom in and see it work straight out of the box!#
